JOIN THE LONG ISLAND FACILITY OWNERS NETWORK (LIFON)

Connect. Collaborate. Build a Stronger Future.

Long Island is home to a wide range of industry and facility owners, including healthcare facilities, educational/research institutions, residential/commercial developments, municipalities and energy plants. Facility owners and industry professionals in our region face unique challenges and opportunities in need of a dedicated forum for discussion, collaboration, and advocacy.

About Us

The Long Island Facility Owners Network is a regional association committed to education and innovation. We bring together facility owners' representatives and industry professionals to share insights and identify common challenges.

Why Join?

As a member, you will have access to exclusive benefits designed to support your success:

Networking Opportunities:

Through quarterly meetings, build meaningful relationships with peers and industry professionals.

Educational Opportunities:

Engage in thought-provoking discussions with industry experts and stay ahead of emerging trends. Access a collection of best practices, industry trends, and strategic resources.

Advocacy Opportunities:

Have a voice in shaping policies and initiatives that impact facility owners and the broader Long Island community.

Who Should Join?

This network is designed for facility owners, developers, and industry professionals involved in the construction, maintenance, and operation of Long Island's commercial, industrial, municipal and institutional properties.
