# JOIN THE LONG ISLAND FACILITY OWNERS NETWORK (LIFON)

## Connect. Collaborate. Build a Stronger Future.

Long Island is home to a wide range of industry and facility owners, including healthcare facilities, educational/research institutions, residential/commercial developments, municipalities and energy plants. Facility owners and industry professionals in our region face unique challenges and opportunities in need of a dedicated forum for discussion, collaboration, and advocacy.

## About Us

The Long Island Facility Owners Network is a regional association committed to education and innovation. We bring together facility owners' representatives and industry professionals to share insights and identify common challenges.

## Why Join?

As a member, you will have access to exclusive benefits designed to support your success:

### Networking Opportunities:

Through quarterly meetings, build meaningful relationships with peers and industry professionals.

### Educational Opportunities:

Engage in thought-provoking discussions with industry experts and stay ahead of emerging trends. Access a collection of best practices, industry trends, and strategic resources.

### Advocacy Opportunities:

Have a voice in shaping policies and initiatives that impact facility owners and the broader Long Island community.

## Who Should Join?

This network is designed for facility owners, developers, and industry professionals involved in the construction, maintenance, and operation of Long Island's commercial, industrial, municipal and institutional properties.
